About the Make-A-Wish Foundation® of New Jersey

The Make-A-Wish Foundation grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. Founded in 1980 when a group of caring volunteers helped a young boy fulfill his dream of becoming a police officer, the Foundation is one of the world's leading children's charities, with 64 chapters in the United States and its territories. With the help of generous donors and nearly 25,000 volunteers, the Make-A-Wish Foundation grants a wish every 40 minutes and has granted more than 200,000 wishes in the United States since its inception. For more information about the Make-A-Wish Foundation, visit www.nj.wish.org and discover how you can *share the power of a wish®*.

About the Children's Miracle Network

Children's Miracle Network Hospitals is dedicated to saving and improving the lives of children by raising funds for 170 children's hospitals. Together, Children's Miracle Network Hospitals creates one of the strongest international children's causes in the world and provides state-of-the-art care to all children. No other organization directly impacts as many kids through care, research, and outreach programs. Locally, Children's Miracle Network Hospitals funds Children's Specialized Hospital.
